

COUNTY OF ESSEX REGIONAL TRANSIT STUDY

You are invited to attend a community meeting for **people who live, own property or operate businesses** located in the County of Essex and the City of Windsor.

WHEN : Thursday, December 10, 2009
3:00 to 8:00 pm

WHERE: Essex Civic Centre – Conference Room C, 360 Fairview Avenue W.
Essex

Those who attend can:

- Review findings from online surveys, public consultations and needs assessment
- Review goals and objectives for transit services in the county of Essex as well as service standards and guidelines
- Provide comments on proposed service options and features
- Share your thoughts about how transit services could be implemented and funded in the county

Increasing the availability and use of alternative transportation modes by describing feasible means of making transit, cycling and walking more attractive to regional residents is a critical part of the Essex Windsor Regional Transportation Master Plan and our community's transportation future. An important part of the planning process is to develop a regional transit system that will provide the greatest benefit to our community.

With your input, our goal is to create a regional transit system that will help shape the future of Essex County and provide many positive benefits for our residents and businesses. We look forward to meeting with you soon!
